Thursday: Dance (pumps needed)
Friday: Gymnastics (t-shirt and shorts needed)
Friday: Spelling test

Topics

Science: Growth and Healthy Living
History: The Gunpowder Plot
Remembrance Day
RE: A Sense of Belonging.
Design Technology: Puppets

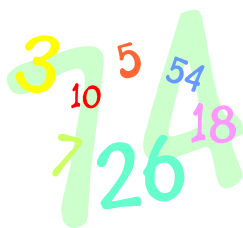

Literacy

- Stories in familiar settings
- Instructions and recipes
- Letters
- Poetry: list poems, shape poems, repetitive poetry

Numeracy

- Read, write and order numbers to 100
- Know what each digit in a two digit number represents and partition two digit numbers into tens and ones.
- Extend understanding of addition and subtraction.
- Recognise the use of a symbol to stand for an unknown number.
- Begin to know by heart all addition and subtraction facts for each number to at least 10.
- Add 10, 20 or 30 to a 2 digit number and add 11 or 12 by adding 10 and adjusting.
- Describe and extend simple number sequences.
- Estimate, measure and compare lengths in centimetres and metres.
- Name and describe common 2D and 3D shapes.
- Read the time to the half hour and quarter hour
- Begin to learn facts for the 10 times table.
- Fold halves and quarters of shapes by folding.

If you wish to discuss anything with us, we are available after school, or contact the office for an appointment.

Many thanks

V. Joyce.
