

Palm Tree

You will need:

Lots of newspaper

Masking tape

Scissors

Instructions

1. Tape pages of newspaper together, to make one very long sheet of newspaper.
2. Roll up the sheet to make a tube.
3. Tape the bottom bit of the tube, to stop it coming undone.
4. Cut four lines from the top of the tube to just above the middle.
5. Hold on to the bottom of the tube and gently pull the top of the tube up to reveal a newspaper palm tree.
