

# Prefix Pairs

I can add the prefixes super, anti and auto to words to create new words.

## Instructions:

- Cut around each card and place it face down.
- Turn over two cards.
- You get to keep the pair if you turn over a prefix (super, anti, auto) + root word (freeze) = new word (antifreeze) that makes sense.
- Have another turn if you get a pair.
- The winner is the person with the most cards when all the cards have been paired up.
