

# The Diary of a Castle Knight

2 Dear diary,

14 I woke up early and joined the other knights in the main  
22 hall for a breakfast of bread and ale.

32 I spent the morning practising sword fighting in the castle  
42 yard. The lord came to watch us training. He reminded us  
52 that enemies could attack the castle at any moment so  
58 we have to be prepared!

69 In the afternoon, I went up to the battlements to practise  
78 my arrow skills. I tried to shoot at a  
86 crow and just missed. I think I am  
88 getting better!

95 Supper was a great banquet of wild  
101 boar and wine. Everyone was talking  
107 about a nearby castle that was  
109 attacked yesterday.

115 I fall asleep worrying about what  
118 tomorrow could bring...
