

Words within Words

Part A

Can you find the words to do with the Indonesian rainforests in the word search?

n d c s u m a t r a n l
f r r d g o g c h t i t
y h o a d x r q m l n i
f i r h g z a r y n d g
j n a g o o i i m a o e
a o n z k v n i v g n r
v c g n j k f b p t e l
a e u r n g o e i l s h
n r t e b d r m n p i c
p o a h h a e o o j a z
z s n u a n s z s d d z
b k c n o d t e k j o m

rainforest
Indonesia
Sumatran tiger

Komodo dragon
Javan rhinoceros
orangutan

Choose one of the words. Work with a partner to learn how to spell this word. Think about the things you can do to help you remember.

You could 'chunk' it into smaller sections e.g. In-don-e-sia. Practise spelling your word on a whiteboard.

Test each other once you think you know the word.

Part B

The words below are all to do with the rainforests in Indonesia. Can you use the letters in each word to create new words? How many different words can you find for each one?

Example: rain – in, ran, an; forest – for, rest, or, store, set.

1. rainforest _____
2. Indonesia _____
3. Sumatran tiger _____
4. Komodo dragon _____
5. Javan rhinoceros _____
6. orangutan _____

Challenge Task

Use books or the Internet to find more words to do with rainforests and Indonesia and add them to the word cloud. You can use different colours to make it interesting.
