

How is Secondary School Different?

At primary school, your teacher did most of the organising for you, making sure you got to assemblies and lessons on time and ensuring you had the equipment you needed for the tasks they set. At secondary school, all of this will be your responsibility. Don't worry; you will get the hang of things quickly.

How Will I Know Where to Go, and When?

Bells in school will let you know when you need to make your way to the next lesson. You will be given a timetable that tells you where you need to be in each period. It will probably have the name of the lesson, the teacher you have and the room you need to be in. The teacher's initials are usually used on your timetable, but you will probably have a list of their full names underneath.
