### 1. Aims

At Buckstones Primary School, we understand the need to continually deliver high quality education, including during periods of remote working - whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

This remote learning policy for aims to:

- › Ensure consistency in the approach to remote learning for pupils who aren't in school
- › Ensure provision is in place so that all pupils have access to high quality learning resources.
- › Set out expectations for all members of the school community with regards to remote learning
- › Provide appropriate guidelines for data protection
- › Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- › Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

### 2. Roles and responsibilities

Teachers must be available between 9am and 3.15pm. If they're unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this to Sarah

➤ Setting work: (See Appendix 1 and Appendix 2)

- Create a weekly timetable and post it onto the class page on the website;
- Inform parents how the work can be returned to the teacher to be marked i.e. share their First Class email or use Tapestry;
- Class teachers will provide approximately three activities per day for their pupils plus reading (using Oxford Owl), Phonics, TT Rock stars, P.E. and spellings;
- Activities should include one English (either Reading Comprehension, Grammar or Writing); one Maths (including Arithmetic and Problem Solving) and one other curriculum subject;
- English and Maths and topic activities should be based around the Oak Academy or White Rose or Bitesize online learning videos. A hyperlink should be created and posted on the class page for each lesson e.g. <https://classroom.thenationalacademy/lessons/to-identify-the-features-of-a-non-chronological-report-c4uket> OR use Twinkl powerpoints OR create own videos or powerpoints;
- Online videos can then be supported by worksheets, activities from Espresso, Purple mash, Twinkl etc.;

### 3. What 'remote learning' can I expect from Buckstones Primary School?

This information is to be used as a general guide and parents can expect further details of remote learning for their child as and when it is required. We aim to implement remote learning from your child's second day of absence. There are 2 general scenarios outlined below; the first scenario where your child is not permitted to attend school and the second outlines the actions in the case of a whole bubble not being permitted to attend school.

Circumstance	Remote learning
<p>My child (and their siblings if they are also attending Buckstones Primary) is absent because the household is required to self-isolate for 10 days.</p> <p>The rest of their school bubble are attending school and being taught as normal.</p>	<p>A timetable of lessons will be placed on the Class Page on the school website.</p> <p>A pack of work including:</p> <ul style="list-style-type: none"> <li>➤ Children should access Oxford Owl on a daily basis where reading books appropriate for the child are available</li> <li>➤ Children in Year 3 upwards should access Times Table Rock Stars daily for practice in fluency in multiplication and division facts</li> <li>➤ Maths activities following on/mirroring the maths being covered in the classroom at that time.</li> <li>➤ English tasks following the sequence of learning happening in the classroom. The quantity will be dependent on age/stage of your child.</li> <li>➤ Phonics activities for EYFS and KS1 to work on the sounds your child will be missing</li> <li>➤ Topic task(s) following the lessons being covered in class that week.</li> </ul> <p>These will either be safely delivered each week or emailed to parents. The work should be returned when the children return to school.</p>

Circumstance	Remote learning
<p>My child's whole bubble is not permitted to attend school because they, or another member of their bubble, have tested positive for Covid-19.</p>	<p>A timetable of lessons will be placed on the Class Page on the school website.</p> <ul style="list-style-type: none"> <li>➤ Children should access Oxford Owl on a daily basis where reading books appropriate for the child are available</li> <li>➤ Children in Year 3 upwards should access Times Table Rock Stars daily for practice in fluency in multiplication and division facts</li> <li>➤ Maths lessons uploaded to the Class page on the website using the Oak Academy trust videos or White Rose and activities or Twinkl powerpoints and activities, following on/mirroring the maths being covered in the classroom at that time.</li> <li>➤ English lessons uploaded to the Class page on the website using the Oak Academy trust videos and activities or Twinkl powerpoints and activities, following on/mirroring the English being covered in the classroom at that time. This will include spelling, grammar, writing and reading.</li> <li>➤ Topic task(s) will be uploaded to the Class page on the website for children to complete and hand in virtually using email. This will be lessons your child would have had in class this term which can be most easily adapted to remote learning and may use oak Academy trust videos.</li> <li>➤ EYFS activities will be set via the website and handed in virtually using Tapestry.</li> <li>➤ 1:1 support if your child receives 1:1 support and they are isolating, a more bespoke programme of support will be set up. ## 5. Who to contact

If staff have any questions or concerns about remote learning, they should contact the following individuals:

- Issues with behaviour - talk to Sarah Healey;
- Issues with IT - talk to Russell Taylor or Fingertips Solutions;
- Issues with their own workload or wellbeing - talk to Sarah Healey;
- Concerns about data protection - talk to Sarah Healey;
- Concerns about safeguarding - talk to the DSL (Sarah Healey or Melanie Platt)

## 6. Data protection

### 6.1 Accessing personal data

When accessing personal data for remote learning purposes, all staff members will:

- Ensure pupils' contact data will be shared via Google drive. No paper copies of contact information will be taken off site.
- Only use school laptops and devices. Teaching Assistants can borrow school laptops to support remote learning.

### 6.2 Processing personal data

Staff members may need to collect and/or share personal data such as email addresses as part of the remote learning system. As long as this processing is necessary for the school's official functions, individuals won't need to give permission for this to happen.

However, staff are reminded to collect and/or share as little personal data as possible online.

### 6.3 Keeping devices secure

All staff members will take appropriate steps to ensure their devices remain secure. This includes, but is not limited to:

- Keeping the device password-protected - strong passwords are at least 8 characters, with a combination of upper and lower-case letters, numbers and special characters are recommended (e.g. asterisk or currency symbol);
- Ensuring the hard drive is encrypted - this means if the device is lost or stolen, no one can access the files stored on the hard drive by attaching it to a new device;
- Making sure the device locks if left inactive for a period of time;
- Not sharing the device among family or friends;
- Installing antivirus and anti-spyware software;
- Keeping operating systems up to date - always install the latest updates.

## 7. Safeguarding

### 7.1. Scope and definitions

This addendum applies during the period of school closure due to COVID-19, and reflects updated advice from our 3 local safeguarding partners Oldham Council, Greater Manchester Police and the Oldham Clinical Commissioning Group.

It sets out changes to our normal child protection policy in light of the Department for Education's guidance [Coronavirus: safeguarding in schools, colleges and other providers](#), and should be read in conjunction with that policy.

Unless covered here, our normal child protection policy continues to apply.

The Department for Education's (DfE's) definition of 'vulnerable children' includes those who:

- Have a social worker, including children:
  - With a child protection plan
  - Assessed as being in need
  - Looked after by the local authority.
- Have an education, health and care (EHC) plan.

### 7.2. Core safeguarding principles

We will still have regard to the statutory safeguarding guidance, [Keeping Children Safe in Education](#).

Although we are operating in a different way to normal, we are still following these important safeguarding principles:

- The best interests of children must come first
- If anyone has a safeguarding concern about any child, they should continue to act on it immediately
- A designated safeguarding lead (DSL) or deputy should be available at all times
- It's essential that unsuitable people don't enter the school workforce or gain access to children
- Children should continue to be protected when they are online

### **7.3. Reporting concerns**

All staff and volunteers must continue to act on any concerns they have about a child immediately. It is still vitally important to do this.

As a reminder, all staff should continue to work with and support children's social workers, where they have one, to help protect vulnerable children.

### **7.4. DSL (and deputy) arrangements**

We aim to have a trained DSL or deputy DSL on site wherever possible. Details of all important contacts are listed in the 'Important contacts' section at the start of this addendum.

We will keep all school staff informed by text message and rota as to who will be the DSL (or deputy) on any given day, and how to contact them.

We will ensure that DSLs (and deputies), wherever their location, know who the most vulnerable children in our school are.

On occasions where there is no DSL or deputy on site, a senior leader will take responsibility for co-ordinating safeguarding. This will be Valerie Joyce.

The senior leader will be responsible for liaising with the off-site DSL (or deputy) to make sure they (the senior leader) can:

- Identify the most vulnerable children in school
- Update and manage access to child protection files, where necessary
- Liaise with children's social workers where they need access to children in need and/or to carry out statutory assessments

### **7.5. Working with other agencies**

We will continue to work with children's social care and with virtual school heads for looked-after and previously looked-after children.

We will continue to update this addendum where necessary, to reflect any updated guidance.

### **7.6. Peer-on-peer abuse**

We will continue to follow the principles set out in part 5 of Keeping Children Safe in Education when managing reports and supporting victims of peer-on-peer abuse.

Staff should continue to act on any concerns they have immediately by recording it on cpoms.

### **7.7. Concerns about a staff member or volunteer**

We will continue to follow the principles set out in part 4 of Keeping Children Safe in Education.

Staff should continue to act on any concerns they have immediately and report to the DSL.

We will continue to refer adults who have harmed or pose a risk of harm to a child or vulnerable adult to the Disclosure and Barring Service (DBS).

We will continue to refer potential cases of teacher misconduct to the Teaching Regulation Agency. We will do this using the email address [Misconduct.Teacher@education.gov.uk](mailto:Misconduct.Teacher@education.gov.uk) for the duration of the COVID-19 period, in line with government guidance.

## **7.8 Safeguarding all children**

Staff and volunteers are aware that this difficult time potentially puts all children at greater risk.

Staff and volunteers will continue to be alert to any signs of abuse, or effects on pupils' mental health that are also safeguarding concerns, and act on concerns immediately. In particular, children are likely to be spending more time online (see section 11 below).

## **7.9. Online safety**

We will continue to have appropriate filtering and monitoring systems in place in school.

Fingertips Solutions will support school throughout the period and are available to contact throughout the day.

## **7.10 Outside school**

Staff will continue to be alert to signs that a child may be at risk of harm online, and act on any concerns immediately, following our reporting procedures as set out in section 5.4.

We will make sure children know how to report any concerns they have back to our school and signpost them to other sources of support too.

## **7.11 Working with parents and carers**

We will make sure parents and carers:

- Are aware of the potential risks to children online and the importance of staying safe online;
- Know what our school is asking children to do online, including what sites they will be using and who they will be interacting with from our school. We have let parents know via regular letters, parentmail, texts, school office contact and tapestry.

## **7.12 Mental health**

Where possible, we will continue to offer our current support for pupil mental health for all pupils. We have set up a section on the website with support and links for children's emotional health and well-being.

We will also signpost all pupils, parents and staff to other resources to support good mental health at this time.

When setting expectations for pupils learning remotely and not attending school, teachers will bear in mind the potential impact of the current situation on both children's and adults' mental health.

## **8. Monitoring arrangements**

This policy will be reviewed annually by the Head teacher. It will be shared with all members of staff and other stakeholders.

It will be approved by the Full Governing Body.
