

GOVERNORS

Governors are like a board of Directors and make decisions about how the school is run. They meet at least once a term at school.

Governors are appointed to help:

Decide what is taught

Set standards on behaviour

Interview and select staff

Decide how the school budget is spent

School Governors have legal duties, powers and responsibilities. They act together, they cannot act individually.

School Governors are:

Parents

Staff at the school

Local authority representatives

Co-opted community representatives

Why are parents on the Governing Body?

Parent governors bring the views of parents to the Governing Body, but they speak and act as individuals. They have equal status in the work of the Governing Body and have voting rights.

What Parent Governors are expected to do?

Parent Governors can make sure that all communications with parents are both informative and easy to read, describe the activities in everyday language and avoid the use of jargon. The Governors can ensure that parents have easy access to information.

What do Governors do?

The Governors meet at least once a term.

The Head teacher presents a report on all school activities, curriculum, finance and staffing matters. Discussions range over many issues, such as the state of the grounds and buildings, deployment of staff, the progress of learning of the pupils, finance, health and safety, wellbeing. There is a committee for Finance and Staffing, Premises/Health and Safety/Wellbeing and a working party for the Curriculum. Copies of reports and the minutes of meetings are available in school for parents to read, along with the instruments and articles of Government. The governors are all unpaid volunteers and have received no travel or subsistence allowance this year.
